Please Join Us for a Weekend of Education and Collaboration for Pediatric Healthcare Providers

We hope you will join us at Chico Hot Springs in beautiful Paradise Valley for Pediatric Roundup 2016! We look forward to providing a great variety of lectures, events, and networking with professionals dedicated to improving the health and wellbeing of children and families across Montana. Chico offers many opportunities for recreation, including mineral hot-springs pools, horseback riding, a spa, rafting, fantastic dining, hiking, and easy access to nearby Yellowstone National Park.

Networking and Family Fun:

This year, in addition to our Friday evening awards dinner for attendees (attendee dinner included in your registration), we will also be hosting a BBQ Saturday evening with a silent auction and entertainment for the whole family. Please be sure to purchase tickets for this great event when you register! This auction will help us raise funds for mini-grants that colleagues around Montana will utilize to benefit children and families.

Registration and CME:

Please visit www.mtpeds.org to register! 2016 Rates, including CME credit:

- MT AAP Member Physicians: $265
- Non-members: $315
- RN / LPN: $165
- Emeritus Fellows: Free
- NP / PA: $215
- Emeritus Fellows (with CME): $35

CME credits will be provided by St. Vincent Healthcare.
**Montana AAP Pediatric Roundup 2016 Agenda**

**Friday, October 7th**

8:30 am: Registration Desk opens

10:00 – 11:45 am: *Workshop: Surgical Skills for the Pediatric Office (Incision & drainage, numbing & digital block, suturing for the office & more!) (Dan Beals, MD)*

12:00 – 12:45 pm: Lunch buffet

12:45 – 1:00 pm: Welcome & Opening Remarks

1:00 – 2:15 pm: *Current Issues in Pediatric Urology (Erin Grantham, MD)*

2:15 – 3:30 pm: *Building the Foundations of Child Health: Addressing the Triple Nutritional Threat of Obesity, Food Insecurity and Hunger (Sandra Hassink, MD)*

3:30 – 3:45 pm: Break

3:45 – 5:00 pm: *New Concepts in Wellness for Medical Professionals (David Wahl, MD)*

5:15 – 6:15 pm: Social hour with no-host bar

6:30 – 8:30 pm: Montana AAP Awards Dinner (admission for one included in your registration)

**Saturday, October 8th**

7:00 – 8:00 am: Breakfast buffet open

7:30 – 8:30 am: Montana AAP Member Meeting

8:30 – 9:45 am: *Compassion Fatigue: The Inevitable Impact of Caring [David Wahl, MD]*

9:45 – 10:00 am: Break

10:00 – 11:15 am: *Child Health and Nutrition: Advocating for Children and Communities [Sandra Hassink, MD]*

11:15 – 12:30 pm: *Pediatric reflux: Current topics in medication risks, benefits & evidence [Tom Flass, MD]*

11:15 am – 12:30 pm: *Firearms Safety: Counseling Families, Trigger Lock Demonstration, and Update on Suicide Prevention in Montana [Multiple presenters]*
2016 Pediatric Roundup Speakers

Sandra Hassink, MD, FAAP: Dr. Hassink is Immediate Past-President of the AAP and a Pediatrician at Nemours/Alfred I. duPont Hospital for Children (AIDHC), where she is Director of the Nemours Pediatric Obesity Initiative. She is recognized internationally as an expert on child obesity prevention, and is passionate about working to address food insecurity.

David Wahl, MD: Dr. Wahl is a Psychiatrist specializing in outpatient treatment of professionals and medical education, and is an Associate Clinical Professor of Psychiatry at the University of Colorado Health Sciences Center. He recognizes the challenges medical professionals face daily, and travels nationally to share his expertise in wellness for medical professionals.

Dan Beals, MD, FACS, FAAP: Dr. Beals has practiced pediatric surgery and urology for the past 25 years. He practices at Community Medical Center and has adjunct appointments at Seattle Children’s Hospital and the University of Washington WWAMI Program. He has special interests in collaborative care of complex medical patients, bowel and bladder evaluation and management as well as pediatric bioethics.

Erin Grantham, MD, FAAP: Dr. Grantham graduated from UC San Francisco, completed her surgery & urology residency at New York Medical College, and trained as a Pediatric Urology fellow at University Colorado / Children’s Hospital Colorado. She practices pediatric urology in Billings, with outreach clinics in Montana and North Dakota. Special interests include spina bifida/neurogenic bladder, disorders of sexual differentiation, hypospadias, & preventing testicular cancer via timely orchiopexies.

Ana Radovic, MD, MSc, FAAP: Dr. Radovic is an Assistant Professor of Pediatrics in the Division of Adolescent & Young Adult Medicine at the University of Pittsburgh. Her main research interests include increasing adolescent & parent participation in mental health treatment when depression treatment is recommended, and using internet technology to enable connections between adolescent and young adult peers as well as parent peers who have mental health illness in common.

Alison Rentz, MD, FAAP: Dr. Rentz is a Neonatologist and Medical Director of Newborn Services at St. Vincent Healthcare in Billings. She attended medical school at the University of Virginia, completed her residency at University of Utah and her fellowship at Boston Children’s Hospital.

Thomas Flass, MD, MS: Dr. Flass is a Pediatric Gastroenterologist at Kalispell Regional Medical Center. He earned his MS in nutrition from Colorado State University & completed medical school at the University of Colorado School of Medicine in Denver. He carried out his residency and fellowship in pediatric gastroenterology, hepatology & nutrition with Children’s Hospital Colorado.

Not yet a member of Montana AAP?

Visit http://www.mtpeds.org/membership/ to find out how you can join! You do not have to be a member of National AAP to join our Montana Chapter. Members can be listed in our online General Pediatrician or Pediatric Sub-specialist Directory, receive reduced fees for the annual meeting each fall, are eligible for mini-grants, and have opportunities to join with other health care providers in networking and providing leadership to improve the health and well-being of Montana children and families.
