
ROUNDUP 2020

Montana Chapter | American Academy of Pediatrics

Please Join Us in Supporting Education for Pediatric Healthcare Providers

Every year, the Montana Chapter of the American Academy of Pediatrics sponsors a gathering of Pediatricians and other healthcare professionals to offer high-quality education and opportunities for collaboration. We welcome you to Pediatric Roundup 2020, to be held October 16th-18th, at Sage Lodge in Pray, Montana. As an Exhibitor, you will have opportunities to share your knowledge and connect with a variety of providers dedicated to improving the health and well-being of children and families across Montana.

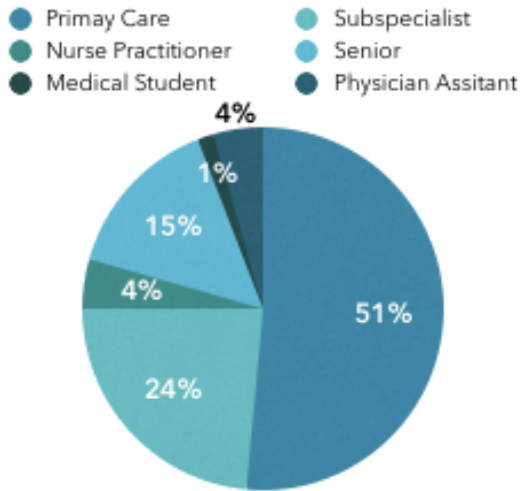

There are four different levels of exhibitor support (descriptions follow). Each exhibit fee includes one 6-8' table in the exhibit room, access to participants during breaks, and complimentary snacks. The exhibit area will be located in the large foyer next to the conference room and we will provide several breaks during the conference for participants to visit the exhibit space. You may also choose to attend the Saturday evening dinner and silent auction that will help us raise money for our advocacy work benefiting children and families. Our Pediatric Roundup is the largest pediatric meeting in Montana. Last Fall we hosted 65 participants, including Pediatricians, Pediatric Specialists, PNP's, RNs, Family Physicians, and other professionals.

To reserve a space at the 2020 Pediatric Roundup Conference, please return the attached Exhibitor Registration form as soon as possible. Once we have confirmed your registration, we will request payment based on the level of support you select. Please make checks payable to "Montana Chapter, American Academy of Pediatrics". Our tax ID number is 36-3481749. Checks may be mailed to Kylee Bodley at the address below. Thank you! We look forward to seeing you this Fall at the beautiful Sage Lodge!
